RE: SID No. 297 of Sarpy County, Nebraska  
Southern Pines  
Sanitary Sewer, Section I

Mr. Langan,

Sarpy County Public Works has reviewed the plans for the above referenced sanitary sewer improvements for Section I of SID 297 of Sarpy County (Southern Pines). Our review indicates that the plans, if followed, will meet the minimum standard requirements as specified in the 2003 3<sup>rd</sup> Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of the project plans to the Sarpy County Board of Commissioners.

If in the future, you find it necessary to revise the proposed designs, please submit the proposed changes for our further consideration.

Sincerely,

Dennis L. Wilson, PE, PhD  
Sarpy County Engineer
