RE: SID No. 297 of Sarpy County, Nebraska
Southern Pines
Storm Sewer Section I and Paving Section I Plan Review

Mr. Langan,

Sarpy County Public Works has reviewed the plans for the above referenced public improvements for Section I of SID 297 of Sarpy County (Southern Pines). Our review indicates that the plans, if followed, will meet the minimum standard requirements as specified in the 2003 3rd Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of the project plans to the Sarpy County Board of Commissioners.

Per our email conversation, please note our office number is 402-537-6900, and please be sure to address this at your preconstruction meeting.

If in the future, you find it necessary to revise the proposed designs, please submit the proposed changes for our further consideration.

Sincerely,

Dennis L. Wilson, PE, PhD
Sarpy County Engineer
