Re: Filter Bid Award

On December 4, 2014, eight (8) bids were opened for Automotive and Industrial Filters for Sarpy County Fleet Services and the City of Papillion. After reviewing the bids, it is recommended the bid be awarded to the lowest responsible bidder, Thermo King Christensen for the various unit prices stated on the Bid Form.

The RFP requests both stock deliveries and daily deliveries, as required. Due to the large variety of filters used by Fleet Services it is impossible to keep every filter in stock. Therefore, filters are often ordered as needed on a daily basis. The low bidder, Gillie Hyde, is based out of Glasgow, KY and would use FedEx ground for orders. According to the FedEx website, this means filters would not be to the County Shop for 2-3 days after delivery.

Thermo King is a reliable vendor and has the capacity to meet our needs, both for stock and daily deliveries.

Please feel free to contact me with any questions.

Ref: Fleet Service Filter Bid

After reviewing all filter bids I recommend that we go with Thermo King Christensen for the filter contract. Thermo King Christensen is a local company that can deliver or we can pick up filters daily if necessary. Fleet Service keeps a majority of the filters in stock but there are times that we need to pick up filters depending on service schedule or weather conditions. Thermo King Christensen is able to meet these requirements.

Any question please call George Funderburk 402-537-6980

This Agreement is entered into by and between the County of Sarpy, in the State of Nebraska, a body politic and corporate, and hereinafter "County", and THERMO KING, hereinafter "Vendor".  
CARISTENSEN

WHEREAS, County is desirous of contracting for Automotive/Industrial Filters for the Fleet Services; and,

WHEREAS, the Vendor has been awarded this Agreement as a result of the bid made by Vendor in response to the Specifications and Request for Proposals prepared by County;

NOW, THEREFORE, for and in consideration of the declarations and mutual promises and covenants contained herein, the County and Vendor agree as follows:

### I. DUTIES OF VENDOR

- A. Services to be rendered by Vendor under this Agreement shall be all those services necessary and proper for the installation and materials for Automotive/Industrial Filters in conformity with each and every term, condition, specification, and requirements of the Bid Specifications and the Bid submitted by the Vendor.
- B. All provisions of each document and item referred to in Paragraph A above shall be strictly complied with the same as if rewritten herein, and in the event of conflict among the provisions of said documents, the provisions most favorable to the County shall govern.
- C. Prior to the commencement of any work, Vendor will place on file with the Sarpy County Clerk, the required certificates of insurance, if applicable.
- D. The Vendor agrees to comply with the residency verification requirements of Neb. Rev. Stat. §4-108 through §4-114. The Vendor is required and hereby agrees to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of a newly hired employee.

If the Vendor is an individual or sole proprietorship, the following applies:

1. The Vendor must complete the United States Citizenship Attestation Form, available on the Department of Administrative Services website at [www.das.state.ne.us](http://www.das.state.ne.us).
2. If the Vendor indicates on such attestation form that he or she is a qualified alien, the Vendor agrees to provide the U.S. Citizenship and Immigration Services

documentation required to verify the Vendor's lawful presence in the United States using the Systematic Alien Verification for Entitlements (SAVE) Program.

3. The Vendor understands and agrees that lawful presence in the United States is required and the Vendor may be disqualified or the contract terminated if such lawful presence cannot be verified as required by Neb. Rev. Stat. Sect. 4-108.
- E. Vendor will submit an invoice to County for work completed based on the amounts specified in Vendor's bid. Such invoices shall be submitted to:

Fleet Services  
15100 South 84<sup>th</sup> Street  
Papillion, NE 68046

- F. The County and Vendor hereto specifically acknowledge, stipulate and agree that each and every term of the Bid Specifications and the Vendor's bid constitutes an essential term of this Agreement, and that, therefore, any violation of any term, condition, provision, or requirement constitutes a material breach hereunder, for which County shall have every right under the law to terminate this Agreement, and obtain any and all relief necessary.

## II. DUTIES OF COUNTY

In return for full, faithful and diligent rendering of services set forth above, County agrees to pay to Vendor the amount specified in Vendor's bid upon submission of the required invoice and satisfactory completion of all required work.

## III. BREACH

Should Vendor breach, violate, or abrogate any term, condition, clause or provision of this agreement, the County shall notify Vendor in writing that such an action has occurred. If satisfactory provision does not occur within ten (10) days from such written notice, the County may, at its option, terminate this agreement and obtain an alternate provider to provide all required materials. This provision shall not preclude the pursuit of other remedies for breach of contract as allowed by law.

## IV. SAVINGS CLAUSE

This Agreement shall be interpreted, construed and enforced under the laws of the State of Nebraska. It is understood and agreed by the County and Vendor hereto that if any part, term, condition, or provision of this Agreement is held to be illegal or in conflict with any law of the State of Nebraska or of the United States, the validity of the remaining parts, terms, conditions, or provisions shall not be affected, and the rights and obligations of the County and Vendor shall be construed and enforced as if the Agreement did not contain the particular part, term, condition, or provision held to be invalid.

V. SCOPE OF AGREEMENT

This Agreement, along with the Bid Specifications, and Bid by Vendor contains the entire Agreement between the County and Vendor, and there are no other written or oral promises, contracts or warrants which may affect it. ## Addendum #1

### Automotive/Industrial Filters For the Fleet Services Department

---

**Question 1:** Some high volume numbers are available in bulk packs. The filters are not individual boxed and are skin wrapped. Will this type of packaging work or should I bid boxed on all numbers?

**Response:** Bidders may submit a bid for Option 1 – Bulk Filters. Bulk packs must identify the number of filters per pack. Filters must be individually skin wrapped. An updated Bid Form is attached and an updated Excel spreadsheet can be found online at:  
<http://www.sarpy.com/purchasing/bidspecs.html>.

**Question 2:** Page 20 of the bid, third part number from the top, the number is 8506, there is a number missing.

**Response:** The correct number is 85060. The number has been corrected on the updated Excel spreadsheet.

**All other terms and conditions remain unchanged.  
Addendum must be acknowledged on the Bid Form.**
