Re: Award Bid for Lincoln Rd. – Wittmus Dr. to 96th St.

On June 14, 2016, three (3) bids were opened for Lincoln Road, Wittmus Drive to 96th Street, Project C-77 (16-5) for the Public Works Department. After reviewing the bid, it is recommended the bid be awarded to Graham Construction for \$1,377,517.00 of which the County will be responsible for \$1,321,037.10 and the City of Papillion will be responsible for \$56,479.90. An Interlocal Agreement for this work will be brought before the Board in the next few weeks.

The County has never worked with Graham Construction. We have contacted their references and they were positive. Graham Construction has done work for the Cities of Blair and Omaha. They have been in business for nine (9) years with progressive growth. Public Works is comfortable with their ability to do this scope of work.

Please feel free to contact me with any questions.

MEMORANDUM

To: Sarpy County Board of Commissioners

From: Dennis L. Wilson, P.E., Ph.D., Sarpy County Engineer *Dlw*

Date: June 16, 2016

Subject: Award Recommendation for C-77(16-5):
Lincoln Road, Wittmus Drive to 96th Street

On June 14, 2016, three (3) bids were opened during the Sarpy County Board of Commissioners Meeting for the above mentioned project. The low bid was from Graham Construction, Inc. of Omaha with a total bid of \$1,377,517.00. The bid price was 45% lower than the Engineer's Estimate of \$1,994,000.00. The other bids were \$1,493,497.88 and \$1,515,114.05.

Bid item prices were typically 20% lower than the engineer's estimate, but a significant portion of the project cost savings was due to bidder's significantly lower price for earthwork operations.

The Sarpy County Engineer recommends the base bid be awarded to Graham Construction, Inc. at the bid price listed above. Feel free to contact me if you have any questions.
