## RE: SOUTH HIGHWAY 50 ADDITION SUBMITTAL

The application for a Preliminary and Final Plat for "South Highway 50 Addition " has been reviewed by the Planning Department staff and we have the following comments: (applicable sections of the Sarpy County Subdivision Regulations)

### Preliminary Plat:

- Existing structures that fall within the boundaries of the proposed plat must be shown on the plat (6.2.7)
- Setback lines or minimum requirements must be delineated on the plat (6.2.10)
- Preliminary drainage plan will be deferred and required with submittal for Building Permit (6.2.12)
- Spelling errors in legal description (commencing *commenceing* and assumed *assumbed*)

### Final Plat:

- Preliminary Surface Storm Drainage Plan will be deferred and required with submittal for Building Permit (8.1.2)
- Signature line for Planning Commission Chairman (8.2.3.12)
- Signature line for County Board Chairman and attested by County Clerk (8.2.3.13)
- Signature line for Planning Director (8.2.3.19)
- Spelling errors in legal description (commencing *commenceing* and assumed *assumbed*)

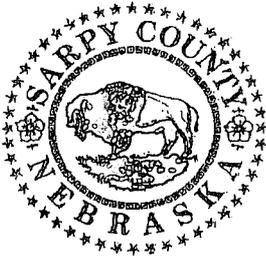

We would like to have the above issues resolved at your earliest convenience so that we can submit corrected documents with Planning Commission Packets if possible. Please forward your response and or corrected documents to [dlynam@sarpy.com](mailto:dlynam@sarpy.com).

RE: Change of Zone, Comprehensive Plan Amendment, Preliminary Plat and Final Plat Review – 139.76 Acre Parcel NE1/4 of Section 2, T13N, R11E, 6<sup>th</sup> P.M.

Sarpy County Public Works has reviewed the May 31, 2013 and 7/1/2013 submittals by Olsson Associates, on behalf of Ronald and Susan Hollins, in regards to the Change of Zone, Comprehensive Plan Amendment, Preliminary Plat and Final Plat Applications for the above referenced parcel. After review, Public Works has the following comments:

#### CHANGE OF ZONE AND COMPREHENSIVE PLAN AMENDMENT

Sarpy County Public Works has no objections to the proposed Change of Zone or Comprehensive Plan Amendment for the above referenced parcel.

#### PRELIMINARY PLAT

The Preliminary Plat does not meet all of the requirements as set forth in the Subdivision Regulations, namely Items 6.2.6 through 6.2.10 (existing structures, current and proposed zoning, existing utilities, set-back lines, etc.)

There are two typographical errors in the Legal Description, "commencing" and "assumed".

Please let me know if you have any further questions.
