RE: 2011 Emergency Management Performance Grant (EMPG)

On February 12, 2013, the County Board will be asked to approve a Resolution authorizing the approval to accept the Final 2011 Grant Adjustment Notice (GAN) for the Emergency Management Performance Grant (EMPG). The EMPG grant funds are Federal Emergency Management Agency (FEMA) funds administrated to the Nebraska Emergency Management Agency (NEMA) through the federal application process. The EMPG grant funding awarded to NEMA is then offered, by application, to all eligible counties that have Emergency Management programs that meet the required criteria based on state and federal performance measures and guidelines. The 2011 EMPG funds have been utilized to maintain/sustain the Sarpy County Emergency Management Program for compliance and to adhere to those performance standards set forth by FEMA and NEMA.

The Final GAN supersedes all awards for the 2011 EMPG and will close out of the expenditure process for those funds and the request for a resolution to approve the Final GAN in the amount of \$232,264.29 awarded to Sarpy County, Sarpy County Emergency Management. This resolution is being requested in order to approve and return a signed Final GAN document to NEMA.

I am available to answer any questions you may have prior to the February 12, 2013 County Board meeting so please don't hesitate to contact me at (402-593-5785) with any questions.

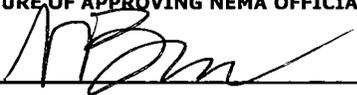

Respectfully,

Lynn Marshall, Sarpy County Emergency Manager
