

## *True Buddy Farms - Home of Luv A Lamb* *2013 Summer Farm Camps and Clinic Schedule*

The True Buddy Farms started in Papillion, Nebraska in the summer of 2008 with my herd of 4-H kids and our sheep. Our original intent was to focus on therapy through sheep, but realized there is a huge opportunity for all youth and adults to benefit from farm activities. Because of this, we are expanding our programs to include a variety of farm camps!

Our mission is to encourage and teach life skills to youth and adults through animal therapy and recreational farm work. Our focus is to enhance therapies for youth and adults with special needs and to build relationships among youth in our community. We are a registered non-profit 501c3. We work closely with Sarpy/Douglas 4H and several other community programs.

**The farm camps are open to the public and are for any groups of any ages of any ability (daycare centers, Boy Scouts, Girl Scouts, neighborhood clubs, seniors programs, 4-H clubs, school clubs, family activities, vet students, senior citizens, animal lovers, etc.) CALL NOW TO BOOK EWER FARM TOUR!**
