

# How to Find In-network Providers Anywhere Nationwide

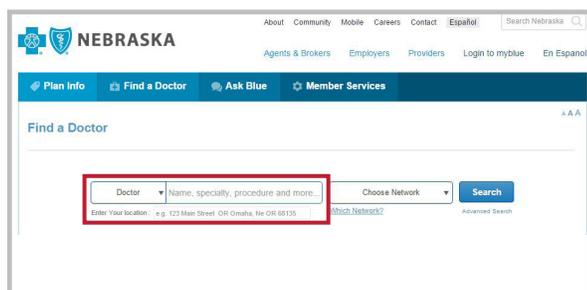

1. At [www.nebraskablue.com](http://www.nebraskablue.com), select FIND A DOCTOR.

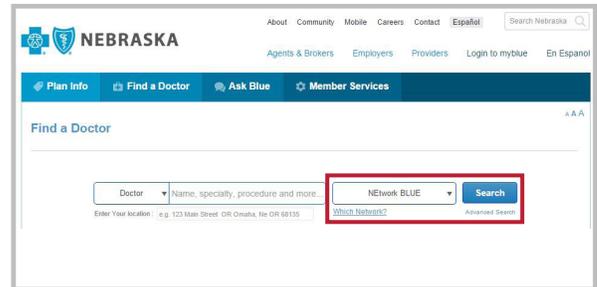

2. Then, choose Doctor and Hospital.

3. In the SEARCH field of the FIND A DOCTOR page, enter the provider's name, specialty, etc. that you would like to search. Use the drop down field to choose the type of provider you're searching. Enter your location (ZIP code, city/state or full address) and select SEARCH.

4. To customize the search results to your network, choose NETWORK BLUE from the drop down menu and select SEARCH.

5. Your search results will show in-network providers.
