

Sarpy County Transfer Station Rate Schedule effective January 1, 2017

Scale Rates			
Item	In-County		Out-of-County
Municipal Solid Waste	\$30.21/ton		\$38.67/ton
Yard Waste	\$25.52/ton		\$36.46/ton
No Scale Available	\$6.19/cubic yard		\$8.29/cubic yard

*if scales are inoperable all waste will be measured by cubic yard and charged under No Scale Available

**Scale rates apply to garbage trucks, long haul transfer trailers, stake beds, rolloff trucks and trailers, demolition tractor trailer, dump trucks, double/triple axle trailers, 5th wheel trailers

***Effective February 1, 1996, all commercial trucks arriving at the gatekeepers window without a tarp covering their open top loads will be charged a \$50.00 fee. (approved by the Sarpy County Commissioners by Resolution) This rule is strictly enforced. On September 9, 1993 The State of Nebraska passed a bill into law at that requires all loads being transported to be covered. LB 575 Sec 28-39-6.129 (This applies to pickups, trailers, commercial and non-commercial trucks).

****concrete will only be accepted if broken down into no larger than 2 foot dimensions
