This Neighborhood (NBHD) Code Listing report is currently in alphabetical order. It is sorted by the NBHD Codes, then by the subdivision within the assigned code. If you do not find the subdivision you are looking for, please call the Assessor's Office at 402-593-2122 for assistance.

Those subdivisions with the same NBHD code are considered one market area. The Sarpy County Assessor's office uses these defined market areas to determine the market value for ad valorem purposes.

Residential NBHDs are assigned to residential appraisers to review valuations. To contact the appraiser of a specific NBHD please look to the initials and then the phone number below:

RES APPR = Residential Appraiser

AA Adam Aarsvold	593-1592
SC Sheila Carnes	593-4137
SG Shane Grow	593-2360
LH Larry Houlton	593-2130
JS Johnny Stephens	593-4361
RW Robert White	593-4362
MB - Marty Becker	593-4140 - Agricultural

Commercial NBHD codes have a different meaning than residential. With commercial/industrial, the code is associated with the occupancy/use if improved and land valuation. That being said, each parcel within a subdivision could have a different NBHD code, and therefore commercial NBHD codes are not listed. Please contact the commercial appraiser directly.

COMM = Commercial Appraiser

TE = Tim Ederer	593-2126
Melissa Delaine	593-2129
