**** Inspections Required: Fence inspection, Clean hole inspection and Final inspection. ****

I hereby state that the information submitted on this application is accurate and correct. I recognize that the issuance of this building permit shall not grant approval to violate any of the provisions of the building codes or zoning ordinances enforced by this jurisdiction, state or federal law; and that this permit shall not prevent the building official from requiring construction to be in compliance with all applicable code provisions during field inspections. This permit shall become null and void if no construction work has commenced within 180 from date of issuance or if work has commenced then stopped for more than 180 days. Permits shall expire if construction is not complete within one (1) year of issuance. A ninety (90) day extension may be obtained from the Planning and Building Department by written application. Upon expiration of a permit, a new permit will be required. This building permit is issued for the express purpose of work stated on this application and shown on the approved plans. Any changes to the construction plans that effect area or scope of work shall be approved by the building official's prior to construction and may require another permit application. No permit fee refunds are allowed if work has commenced or if work has not commenced and more than 180 days has elapsed after issuance date. The county is not responsible to determine actual locations of property lines during inspections. The property owner or person doing the work is responsible to find locations of property lines for final approval by county inspectors.
